Students are being asked to complete a survey to gather your thoughts on the possibility of instituting a random drug testing policy for students. This is in the research phase, and student feedback will help guide district decisions as we move forward. A random drug testing policy would be an extension of the Extracurricular Drug/Alcohol and General Offense Policy that is already a part of the Dover High School and Dover Middle School Code of Conduct in the respective student handbooks. The survey is confidential, and we will NOT be collecting students' email addresses. This survey will close on Wed., Dec. 13<sup>th</sup>.

Attention students: If you did not get your student ID card a few weeks ago in homeroom, please stop in the main office to pick it up.

We will be on a 2-hour delay start for staff professional development on Mon., Dec. 11<sup>th</sup>. The tardy bell rings at 9:45am.
